RE: U.S. Utility Patent Application
Serial No.: 09/923,149
Filed: August 6, 2001
Title: Radiated Signal Measuring Device for Radiographic Imaging
Equipment
Re: Incorrect Charge of Large Entity Fee for a Small Entity

Dear Sir:

Applicant respectfully notes the Patent Office is inadvertently charging a Large Entity Fee of \$1330.00 on the above-referenced utility patent application. The application is a *small entity*. Enclosed with the issue fee transmittal form & check, please find a copy of the Filing Receipt mailed October 1, 2001, which correctly indicates the Applicant as a small entity. As such, enclosed is a check for \$665.00 to cover the issue fee for the small entity.

Should the Patent Office find applicant's claim of small entity to be unsubstantiated, please do not hesitate to call for further clarification.

Sincerely,

Larry L. Coats
